

McKenzie Dulin Participated in the Ranching Heritage Center Western Art Competition held on Saturday, January 7th, 2017. She entered a drawing of a young Native American girl. Her drawing won First Place, Grand Champion, for the Junior High Division, keeping the three year winning streak alive for Frenship Middle School. This is the third year that the competition has been held and the third year in a row where Frenship Middle School has won the top award for the Junior High Division. McKenzie's artwork was the only piece entered this year for Frenship Middle School, so the stakes of keeping the streak alive were slim. However, she has made our school and school district proud with her quality work. In addition to winning this contest McKenzie won three awards three weeks ago at the Scholastics art competition in Plainview. Great job McKenzie, FMS and MR. M are extremely proud of your accomplishments.
